Focus areas

- Balance – how do you find balance as an ambitious professional?
- Personal brand – focused on career transitions – what is the 'leap' you need to make and how can you achieve it?
- Team leadership – how do you run and lead your team?
- Challenging conversations – what are the key conversations you need to have? Why aren't you having them?
- Interpersonal relationships – how does your personality style impact your ability to relate to and influence others positively at work?

Relevant professional qualifications/accreditations

- A huge range of psychometric instruments (including Lumina Spark, Insights Discovery, HTI, EQI 2.0, TKI, FIRO-B, Belbin, TRACOM Social Styles)
- Qualified Online Learning Facilitator (The LPI)

PROFILE

A hugely experienced, qualified 121 and team coach and certified brain-based conversations facilitator, Steve works with individuals around the world at all levels focusing on leadership behaviours, the real-time practice of EQ and effective communication at an individual and team level

ALSO...

A married dad of two, a passionate/obsessive runner, a WWII history nut and a cat fancier.
